

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Melvin Frazier, Jr.,

Case No.: 2:22-cv-00277-JAD-EJY

Plaintiff

v.

**Order Adopting Report &
Recommendation and Dismissing Action**

Marcus George, et al.,

[ECF No. 9]

Defendant

Pro se plaintiff Melvin Frazier, Jr. commenced this action by filing an incomplete application to proceed *in forma pauperis* (ifp) and an illegible complaint.¹ The ifp was denied without prejudice and the complaint was dismissed with leave to amend.² Magistrate Judge Elayna Youchah cautioned Frazier that if he failed to file a legible amended complaint and either pay the \$402 filing fee or file a complete ifp application by April 11, 2022, she would recommend dismissing this case without prejudice.³ Because Frazier filed nothing by that deadline, Judge Youchah now recommends that this case be dismissed.⁴ The deadline for Frazier to object to that report and recommendation (R&R) was May 19, 2022, and he neither filed an objection nor moved for an extension of the deadline. “[N]o review is required of a magistrate judge’s report and recommendation unless objections are filed.”⁵ Having reviewed the R&R, I find good cause to adopt it, and I do.

1 IT IS THEREFORE ORDERED that the magistrate judge's R&R [ECF No. 9] is
2 **ADOPTED** in its entirety. This action is DISMISSED, and the Clerk of Court is directed to
3 ENTER JUDGMENT accordingly and CLOSE THIS CASE.
